

2010-2011 DEANS' AND CHANCELLOR'S UNDERGRADUATE AWARDS

~~~ ANNOUNCEMENT ~~~

## DEANS' UNDERGRADUATE AWARDS

In late Spring 2011, fifty undergraduates, 10 from each of the five academic divisions will receive the Dean's Award of \$100 for outstanding achievement in their division.

## CHANCELLOR'S UNDERGRADUATE AWARDS

In late Spring 2011, the Chancellor will recognize the top three students, from the Deans' Award list, from each division with an additional \$100.

## STECK AWARD

The Steck Award will recognize the most outstanding research project chosen from the fifteen Chancellor's Awardees.

This student will receive an additional \$1000. In addition, his or her research project will be bound and copies given to the student, the research supervisor, the UC Santa Cruz Library, and the Steck Family whose generous contributions have made this award possible.

Through these awards, the Deans and Chancellor wish to encourage and stimulate outstanding scholarship and creativity among undergraduate students, based on work developed in courses or programs in the normal pattern of academic activity at UCSC. A thesis or project completed in spring 2010 may be submitted for consideration unless it was submitted and won an award in a previous year's competition.

Winners will be honored at an awards ceremony on June 3, which will culminate our twelfth annual Undergraduate Student Achievement Week. The names of the winners will also be announced at graduation.

~~~GUIDELINES~~~

Submit completed projects and application forms no later than **Friday, April 8, 2011**, to the Department or Program office in which the project was done. Application forms are available on line, <http://honors.ucsc.edu/scholarships.htm>.

- All submissions must contain the completed application form.
- All submissions must include one supporting statement by the faculty sponsor.
