Consider as you plan:

- Questions about your major/minor requirements? Reach out to your [major/minor advisor](#).
- All requests for extensions/adjustments to your expected graduation term (EGT) must be reviewed by your college. A maximum of 5 academic years (or equivalent) is allowed.
- Since requests are not approved in advance, no upcoming term in plan should include more than 19 credits.
- GE (General Education) course completion and university credit should be tracked by you on your MyUCSC portal. Though some courses taken to fulfill major and minor requirements will also fulfill GE requirements, GEs are not usually included on major plans. Questions about general education, 180 units for graduation, university and college requirements should be directed to [your college academic advisors](#) (also, see Graduation Requirements link below).
